"Accommodations intermediary" means any person other than an accommodations provider that (i) facilitates the sale of an accommodation and (ii) either (a) charges a room charge to the customer, and charges an accommodations fee to the customer, which fee it retains as compensation for facilitating the sale; (b) collects a room charge from the customer; or (c) charges a fee, other than an accommodations fee, to the customer, which fee it retains as compensation for facilitating the sale. For purposes of this definition, "facilitates the sale" includes brokering, coordinating, or in any other way arranging for the purchase of the right to use accommodations via a transaction directly, including via one or more payment processors, between a customer and an accommodations provider.

"Accommodations intermediary" does not include a person:

1. If the accommodations are provided by an accommodations provider operating under a trademark, trade name, or service mark belonging to such person;

2. Who facilitates the sale of an accommodation if (i) the price paid by the customer to such person is equal to the price paid by such person to the accommodations provider for the use of the accommodations and (ii) the only compensation received by such person for facilitating the sale of the accommodation is a commission paid from the accommodations provider to such person; or

3. Who is licensed as a real estate licensee pursuant to Article 1 (§ [54.1-2100](#) et seq.) of Chapter 21 of Title 54.1, when acting within the scope of such license.

"Accommodations provider" means any person that furnishes accommodations to the general public for compensation. The term "furnishes" includes the sale of use or possession or the sale of the right to use or possess.
