Additional Information about Gloucester County's Application Process

- If our current openings do not include jobs you are interested in at this time, you may sign up for an e-mail notification. There are two ways to do this. For positions by category, you may complete a Job Interest Card. For all new job opportunities with Gloucester County, sign up for our Job Alert. Links for both are in the blue navigation pane on Human Resources website.
- An e-mail account is necessary to apply online for a job with Gloucester County. All notifications will be sent using the e-mail account you provide.
- Three references must be provided in order for your application to be considered complete.
- Education dates are not required as part of our application process. Please leave these fields blank when completing the application.
- Resumes and cover letters may be included <u>but will not substitute for</u> the employment history section of the job application.
- If you have spam filters either on your personal computer or with your Internet service provider, be sure they allow email from <u>'info@governmentjobs.com'</u>. Otherwise you will not receive email regarding your application status or job interest notifications.

Online applications are stored on a secure site. Only authorized Human Resource Staff employees and hiring authorities have access to the information submitted.
