to me

Hello!

Thank you very much for your work, it's always interesting to know the story of the two countries [...]

For your information I have just found that Jean Charles François Aved de Magnac died in France at Bourdons sur Rognon in Haute-Marne in the East of France in the district where he was born and not in Jamaica.

He was married in Brest (where the French navy was implanted) le 19 novembre 1792 and divorced in Brest from Marie Josephe SOUCY on 10 Aout 1800. He had 3 children.

And BRAVO! for your interesting work

Best regards

Comte Emmanuel Aved de Magnac
