

Gloucester County Sheriff's Office

Annual Report 2017

Issue Date March 2018

Sheriff's Page

**Sheriff
Darrell W. Warren Jr.**

The Gloucester County Sheriff's Office is a full service agency dedicated to ensuring public safety for all citizens and visitors, as well as the protection of all property in Gloucester County, Virginia.

The office is directed by Sheriff Darrell W. Warren, Jr.. Sheriff Warren was appointed in February of 2012, and was elected to the position by the people of Gloucester County in November 2012 and dually re-elected in November of 2015. Sheriff Warren has been a sworn-member of the Sheriff's Office since 1991, rising through the ranks to his current position. Sheriff Warren is a graduate of the FBI National Academy and the University of Richmond Professional Executive Leadership School. Sheriff Warren has been at the command level for more than eighteen years .

Sheriff Warren leads an agency with eighty three full-time sworn officers, eleven full-time civilian dispatchers, three-part time civilian dispatchers, six support staff, five sworn auxiliary deputies, two part time court security and civil processors and two medical staff members.

Sheriff Warren is responsible for creating and managing the department's eight million dollar operating budget and providing services to the estimated forty thousand residents.

The Gloucester County Sheriff's Office also continues to maintain its Accreditation Standard. This is a process that must be completed every year with proofs of compliance to the one hundred and eighty seven standards set forth by the Virginia Law Enforcement Professional Standards Commission. In 2015, led by Sheriff Warren, the Gloucester Sheriff's Office received it's reaccrdated status from the Virginia Law Enforcement Professionals Standards Commission with a one hundred percent compliance.

Command Staff

The Sheriff's Staff consists of one Chief Deputy and four divisional Captains. The staff members are directly responsible for the implementation, management, and direction of the Sheriff's mission statement, community goals, and daily operations of the office and its employees to ensure fair, efficient and professional service for every citizen.

The Chief Deputy manages all divisions and is accountable directly to the Sheriff for all budgetary, personnel, policy and program matters.

Division Captains include Law Enforcement, Corrections and Courts, Administration and Training and Communications and Technology.

Each Divisional Captain directly and indirectly manages through a series of Lieutenants and Sergeants. Each is directly responsible for their divisions daily mandates for service. Their duties include budget management, policy reviews and adherence, equipment review and maintenance and professional standards. Furthermore, each Captain is responsible for perpetuating the agencies positive relationship with the county serving in a variety of professional committees within county government and also within the private sector.

Each member of the Command Staff including the Sheriff, is also expected to serve in a volunteer and civic capacity, to serve as contributing members within the community and also as mentors for our counties adolescents.

The Sheriff's Command Staff serve in various local governing bodies such as the Gloucester County Public Schools Leadership and Safety Teams and Policy and Management Teams, Green Governing Initiative and the Middle Peninsula Community Services Board. They also serve as Rotarians, Ruritans, Masons, members of the Chamber of Commerce and the Moose Lodge.

The Command Staff members also maintain professional membership in a variety of groups to include the Federal Bureau of Investigations (FBI) National Academy Associates, Professional Executive Leadership School (PELS) at the University of Richmond, Hampton Roads Chiefs of Police, National Sheriff's Association, Virginia Sheriff's Association, International Association Chiefs of Police, Administrative Officers Course 119 at the University of Louisville, Virginia Law Enforcement Professional Standards Association and the National Tactical Officers Association.

Law Enforcement Division

The Sheriff's Office provides primary law enforcement service to the county. Patrol offers direct law enforcement coverage twenty four-hours a day three hundred and sixty five days a year for all of Gloucester County.

The Law Enforcement Division is comprised of Uniform Patrol, School Resource Officers, D.A.R.E., a K9 unit, Criminal Investigations Division and a Narcotics Unit / Membership with Virginia State Police Narcotics Task Force Unit.

Furthermore, the Sheriff maintains collateral duty assignments for specialized units such as a Tactical Unit, Bicycle Patrol Unit, Color Guard Unit, Forensics Unit and a Traffic Safety Unit. The Uniform Patrol Division's main function is to respond to calls for service which exceeded thirty thousand in 2017. Types of calls may include legal advice,

motor-vehicle accidents, unusual occurrences, suspicious activity including persons or vehicles, unattended death investigations and a variety of other crimes.

Patrol Deputies wrote and submitted over two thousand two hundred Crime Reports in 2017 and are also charged daily with the responsibility of following up on criminal cases assigned. Deputies also complete warrant services, traffic enforcement, building/area checks and motorist checking details.

In 2017, the Gloucester Sheriff's Office won, for the fourth straight year, the Law Enforcement Challenge in traffic safety, competing against other agencies our size.

The Criminal Investigation Division actively investigated over four hundred cases in 2017, with a clearance rate of eight-two percent. The cases the investigations division handled last year ranged from murder, armed robbery, rape, child solicitation through our Internet Crimes against Children Task force, a burglary scheme that encompassed several counties and many others. The ICAC unit also completed presentations throughout the year that reached over eight hundred people and completed over eighty digital and forensic examinations on devices such as cell phones and computers.

The School Resource Division handles security for Peasley Middle School, Page Middle School and Gloucester High School. They handle security, instruction and reports that may be generated on school property. This division also encompasses the DARE program that is found in all Gloucester Elementary Schools.

Courts / Civil Process

The courtrooms, clerks, judges and juries are managed by the Sheriff's Civil Process deputies. In this division there are six full-time and two part-time deputies managed by a Lieutenant. They are responsible for the security and safety of all persons within the courts building as well as inmate management. In 2017, the deputies managed the active courtroom sessions for approximately four thousand five hundred hours. This unit is also accountable for the electronic security features associated with the courthouse to include main control, monitoring cameras throughout the entire facility, inmate / deputy movements and the screening features at the main entrance to the courthouse.

These deputies are also responsible for delivery of all legal process documents. These documents are delivered personally to each party of interest throughout the entire county. The deputies in this division served legal process of more than twenty seven thousand individual documents.

Corrections Division

The Sheriff is also responsible for managing and providing correctional services for state and local inmates. In 2016, Gloucester County joined the Northern Neck Regional Jail Facility to help off-set the overcrowding of our local facility. At times, Gloucester County is responsible for more than one hundred and seventy five inmates, however our jail was built for approximately forty five inmates. Gloucester County strives to maintains thirty inmates, for the road crew and short term inmates, and continued in 2017.

Correctional deputies book into the facility approximately one thousand two hundred inmates a year. The booking process is the jails classification system of the individual arrested and detained. This does not include persons brought into jail and immediately released on bond.

The transportation section of corrections is responsible for the daily shuttling of inmates between courts within and outside of our jurisdiction. In 2017, the transportation unit made over eight hundred trips with inmates in custody.

Also operating out of the Corrections Division is the work crew. These inmates are identified through the classification and screening process and all are non-

violent offender considered low risk for prohibited events. This crew of inmates produces a substantial savings to the county each year through the services they provide. The services include grass cutting, trash collection, special event set-up and related clean-up. Generally, the work crew contributes to events such as the July Fourth Celebration, Daffodil Festival, parades and others. The inmate work crews are also made available to help restore the community following natural disasters. The inmate's labor also directly benefits Gloucester Parks and Recreation, the Gloucester Water Treatment Plant, Gloucester Buildings and Grounds, Gloucester and Abingdon Volunteer Fire Departments and Gloucester Animal Control. The Virginia Department of Transportation also compensates the county annually for services rendered. The combined savings to the county annually is over one hundred and seventy thousand dollars.

Communications Division / 911

The Gloucester Sheriff's Office also provides the Emergency -911 call center for the county. The Communications Division is responsible for assisting each caller to the office appropriately, from general information requests to emergency situations.

The unit is staffed by a Dispatch-Supervisor , Assistant Dispatch Supervisor or Lead 911 operator and ten Emergency Dispatchers. Dispatchers are assigned to specific teams which serve in unison with specific patrol and corrections shifts.

Each dispatcher is trained and certified by Virginia's Department of Criminal Justice Services (DCJS). Each dispatcher is additionally trained to handle crisis events such as natural disasters and certified as Emergency Medical Dispatchers (EMD). The EMD center is accredited by the Virginia Office of Emergency Services. They are able to give life support information to the caller in their time of need. Nationally, these events saved countless lives by the offering of this critical information. Dispatchers are also trained to utilize computer programs for wireless 911 callers in emergency situations to pin-point their locations.

Dispatchers are responsible for data management of all articles lost or stolen, fugitives, missing persons, and runaways in the Commonwealth of Virginia via Virginia's Criminal Index (VCIN) as well as nationally with the National Crimes Index Center (NCIC) in compliance with all federal and state regulations.

Last year the communications center handled one hundred thousand calls.

Dispatchers also give back to the community in a variety of ways to include but not limited too offering regular tours of the facility for preschool and elementary aged students.

Professional Standards

The GCSO is one of ten regional agencies that is permitted to host in-house state sanctioned training to meet our departmental needs. The Satellite- Academy offers our deputies valuable in-service training tailored to our policies and community needs. The academy also allows our agency to offer full certification courses from basic law enforcement academies to advanced training such as Field Training Officers school (FTO) and state certified instructors courses such as Firearms and Radar Instructors. The training curriculum is offered each month maximizing attendance opportunities and minimizing absences or interruptions to our primary services. These tailored courses offered by our agency provides the county a substantial saving in the thousands of dollars in related training expenses.

The Sheriff's Office also conducts academies for Auxiliary Deputies which subsidize the Patrol Division at a substantial cost savings for the county through the programs volunteer service. This year we will also have another session of the Sheriff's Citizens Academy to help educate the public on the roles and challenges of the profession.

Leadership training has continued to be emphasized within the agency as our personnel attend a variety of advanced leadership schools in an effort to expand the culture of our deputies and increase the level of professional law enforcement services offered.

Our staff continues to offer community training in internet safety for teens and parents, work place violence awareness and self-defense classes for women. Each of these programs is offered at no cost to the community.

The GCSO maintains a dedicated training staff to insure its citizens that all divisional staff are highly experienced, trained, and certified by various state and industry standard evaluation commissions.

The agency has established an awards committee to recognize exemplary conduct on and off the job. This recognition for outstanding service encourages personnel to reach beyond the average. Recently we have seen two deputies receive awards by our Board of Supervisors for their Life-Saving efforts. Deputies have also been recognized in local and national forums for outstanding services related to Internet Crimes Against Children and Mothers Against Drunk Driving.

We maintain specially trained personnel to work within the agency to maintain policies and protocols in place that are consistent with industry standards. The Administrative Captain or his designee is responsible for conducting all Internal Affairs investigations to protect the citizen and the deputies.

Administrative Support

The administrative team consists of four full time employees, including one full-time accounting staff to improve record keeping and remain fiscally responsible.

Nursing / Medical Staff

The medical staff is comprised of two state certified nurses who are responsible for the daily evaluation of minor illness or injury reports and wellness checks. They also log and maintain the records for all medications ordered and dispensed daily. The medical staff reduces the need to keep a doctor on staff or transport each medical report to the hospital resulting in a savings of thousands each year in related security and healthcare costs.

K-9 Unit

The K –9 Unit comprised of Master Deputy Lutz , K-9 Rexi and K-9 Duke worked on over 80 different cases last year for various aspects. These ranged from suspected narcotic cases to tracks for suspects in other criminal activity. This work resulted in several thousand dollars worth of narcotics being removed from our streets and various arrests, in turn helping keep our county safe.

Community Connections and Services

The Gloucester County Sheriff's Office has continued to be involved in and provide a wide array of community activities and services.

The agency offers crime prevention services with a part-time dedicated deputy serving groups such as Triad, Neighborhood Watch, Property Identification, DARE, Child ID Kits, Operation ID, Project Lifesaver, Bicycle Safety Rodeos and many others.

Deputies are actively involved with positive programs like the Boys and Girls Club, serving as mentors for the counties youth. They also participate in parks and recreation programs as coaches and officials.

Employees also participated in the weekly "Lunch Buddy" program and frequently attend after school reading programs within our elementary schools.

The office participates and volunteers annually in the Halloween Activities on Main Street. On average this activity has over five thousand children who attend.

Annually our agencies "Shop With a Cop" program raises thousands of dollars to aid local families in need during the Christmas season.

The agency is looking forward to 2018 and continuing to offering teen programs such as the Law Cadet program and our DARE Scholarship program. This year will bring a new program to local teens at risk. The Sheriff's Office will partner with the school division and offer rehabilitative services targeting at risk children in an effort to encourage them to make positive choices in their lives helping them to become productive citizens.

The Sheriff's office also has the Deputies for Education scholarship fund that will grant a Gloucester high school senior with a one thousand dollar award. This student will be continuing his or her education in criminal justice.

911-Communications Center

The Communications Division handled a total of 100,002 call incidents in 2017. These incidents include but are not limited to Police, Fire, EMS, Animal Control, etc.. A list of typical calls for service are listed below:

Credit Card Fraud-37	Grand Larceny-169	Unattended Death Investigations-46
	Petit Larceny-132	
	Murder-2	

Looking to the Future

Goals set by Sheriff Warren and his staff of the Gloucester County Sheriff's Office are:

Continue to meet all Accreditation standards from the Virginia Professional Law Enforcement Standards Commission.

Continue providing in-house state mandated in-service training for all divisions to reduce unnecessary related costs for training outside the agency.

Continue aggressively investigating and arresting narcotic dealers. Continue community outreach programs to suppress our children's interest in this type of activity.

Challenges for our Agency in 2018

The continued shortfalls in governmental revenues again present significant challenges to the criminal justice community. Sheriff Warren and his staff are committed to efficient and responsible fiscal policies. The agency will continue to act resourcefully to reduce expenditures while maintaining critical services to the community. Additional demands will be placed on the criminal justice community due to continued reductions in other areas of government spending. Some of these include services for helping the mentally challenged, and more inmates being incarcerated at the local levels as the state continues to cut funding for the Department of Corrections.
